To all the people who bought Ayahana Min's first comics, thank you very much! ♪
For me, the author, this particular work makes me so scared that I get goose-bumps. Drawing manga is a lot of fun, but showing my work to other people is really embarrassing!! ☆
"Really, really embarrassing!!"...is what I scream, but then I end up drawing the next work. I don't think there's any way to cure my "I want to draw manga" sickness. ♪

Hey~ Don't draw until you die! ♪
